But not here. Not anymore. The U.S. eradicated malaria more than 60 years ago. Now it’s time for us to finish the job globally. For just $20,* you can provide a lifesaving mosquito net, prevention education for a family, access to medical treatment and ongoing follow ups.

MALARIA BITES. BITE BACK.

*$2 of every $20 goes to Compassion’s medical assistance fund, which covers treatment for those suffering from malaria episodes.
Every 60 seconds, a child dies of malaria.
